UJIAN TENGAH SEMESTER GANJIL 2023/ 2024

Nama : Fabyan Riza Kiram
Jurusan/ Program Studi : Teknologi Sains Data
NIM : 164221068

Answer:

1. D
2. B
3. C
4. D
5. B
6. A
7. D
8. B
9. C
10. C
11. A
12. C
13. C
14. D
15. C
16. D
17. C
18. D
19. A

Essay:

Paragraph 1:

The first paragraph tells us about the realization of how this new generation are very dependent on technologies.

Paragraph 2:

The second paragraph tells us about how we do our activities mostly based on / with the help of technologies, and the author see the point on how the older generation thinks that this new generation had it easier because of the help of technologies.

Paragraph 3:

The third paragraph tells us about how in this new era, there are more educational sources to choose from. From one click of the search button or going to the library, there are many options and the author as a person that lives in this new generation, feels very benefited. The interaction between students and university staffs has changed drastically too, from only meeting face-to-face, to meeting on a zoom call or communication through personal chat, email, etc.

Paragraph 4:

The Fourth paragraph tells us about how we should appreciates how much technologies have provides us. There are many challenges that has been eliminated because of the very many uses that we can benefited from advances technologies.

Paragraph 5:

The fifth paragraph tells us about even though there are many differences between the new and old students, especially the options that the new generation of students can choose, we as students always tried to embrace the resources that are available, and we always adapt in that circumstances.
